Bill No. 5 of 1921.—The Madras District Municipalities Amendment Bill, with Statement of Objects and Reasons	1921
--	------

Bill to be introduced in the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 20 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 5 of 1921.

*A Bill to amend the law relating to the District Municipalities Act, 1920 (Madras Act No. V of 1920).*

WHEREAS it is expedient to amend the rule 21 of the Taxation and Finance Rules in part 1 of Schedule IV appended to the Madras District Municipalities Act, 1920 (Madras Act No. V of 1920), regarding the maximum rate of Rs. 5 to be levied on every cart; it is hereby enacted as follows:—

17-1

#### 1. Preliminary.—

(i) This Act may be called the Madras District Municipalities Amendment Act, 1921.

(ii) It extends to the whole of the Presidency of Madras.

#### 2. For the item.

"on every cart .. Rs. 0 3 0" in rule 21 of Schedule IV of the Madras District Municipalities Act, 1920, there shall be substituted the item.

"on every cart .. Rs. 0 4 0"

## STATEMENT OF OBJECTS AND REASONS.

Under the District Municipalities Act, 1851, the maximum rate of tax payable on every acre, laden on entering the municipal limits was Rs. 4 and on every acre not laden, Rs. 2. The rate provided for under the new Act—the District Municipalities Act, 1920—rule 21 of Schedule IV is Rs. 3 on every acre whether laden or not laden. Under the old Act the Municipalities used to levy the maximum value of Rs. 4 and Rs. 2 respectively. The introduction of a uniform rate of Rs. 3 for every acre under the present Act is not but being about a serious fall in the municipal tax revenue as the number of 'laden' acres entering the municipal limits are far more numerous than 'unladen' acre.

This result was hardly intended by the framers of the present Act, as we find a general tendency in it to augment the resources of the local bodies.

The finances of the local bodies are now in a highly deplorable condition and the tripping of any present source of their income will greatly retard their progress.

The same defect in the Madras Local Boards Act, 1920, was recently remedied in the case of the local boards by the unanimous passing of a resolution in the Legislative Council at its meeting, held 4th February 1921, for the restoration of the former rate of Rs. 4.

The proposed amendment is intended to restore the rate hitherto prevalent under the old Act and to bring the District Municipalities Act on a level with the Local Boards Act in the matter of the fixation of the rate of tax for crops.
